SENIOR ADVENTURE PASS

YES! I am a Utah resident 62 years of age or older and want to purchase the annual Senior Adventure Pass for \$35, a discount from the regular price of \$70. This annual permit provides you and up to seven guests in the same private vehicle free day-use entrance to all Utah State Parks. The pass is not good at This Is The Place Heritage Park, and does not cover the \$2 Davis County Causeway fee. The Senior Adventure Pass is good for one year from the month purchased. Applicants must provide proof of Utah residency and age from a valid Utah driver license or other legal identification that establishes the applicant's age and current state of residence.
